SPOTLIGHT ON THE BARN

All dressed up and nowhere to go on a Saturday night? Not in Meadview!!

The Barn at the corner of Pueblo Drive and Escalante has a little something for everyone. You could describe it as low-key, comfortable and yet a classy musical and dance venue.

Janet Diniz moved to Meadview from Las Vegas after falling in love with the views. Eventually, Janet came across the Quonset hut on Pueblo Drive for sale. Although the space intrigued her, she wasn't sure what to do with it. So, she decided to buy it and figure out what to do later. Maybe an antique mall or craft shop? And so, the adventure begins…

Since Las Vegas closed most of the dance floors and replaced them with bottle bars and poker rooms, Janet was left with few places to dance. Because Janet loves to dance, she decided to make The Barn a place to dance. David, her dance partner for 10+ years, said he would help her bring the Barn to life. She wanted live music, but didn't know how to swing that yet. Meadview residents seemed to love karaoke, so having people dance to karaoke fit perfectly…for now. Who knows what The Barn will become in the future?

A little personal history, Janet began dancing on a cruise in 2006 and in 2011 she met David on the dance floor in Las Vegas. David competed and won the European Invitational in Torquay, England in 1991. Janet never competed; she just wants to have fun!!

On Saturday evenings at 6:00 pm, there is Karaoke and dancing. If you can't dance, there are basic dance lessons at 5:00 pm just to help you get on the floor and move a little. No pressure, just fun. If you don't want to dance and you prefer not to sing, you can just listen to the music, chat with your neighbors and enjoy a soda, water or snacks (no alcohol). Evenings at the Barn are basically **FREE**. It only costs a bit of your time and a few of your smiles.

On Sundays at 2:00 pm, Karen Stacy teaches line dancing for two hours. Also **FREE**, it's great exercise and loads of fun!

Please find one of Meadview's more recently famous singers featured in the ad on page 4.

APRIL 6, 2023 COM MEETING

COM is pleased to announce the Mohave County Street Team and WACOG will be returning to Meadview with another Health and Resource Fair. Many of their member partners will be at the April 6 COM meeting with information about their agencies and how they can assist you with some of your healthcare needs.

The meeting begins at 10:00 am in the MCA auditorium. Refreshments will be served at 9:45.

RATTLESNAKE AVOIDANCE TRAINING FOR YOUR PET

Rattlesnake Avoidance Training is a safe method to teach your dog to avoid the danger of being bitten by a rattlesnake. Medical treatment can be extremely expensive and for us it is a long way from home.

During the training session, an e-collar is used. Training is conducted in a safe, controlled environment, ensuring the safety of your dog as well as the safety of the defanged rattlesnakes.

This training is available in Meadview on **Saturday, April 22**.

Space is limited and training is by appointment only.

Call Mackie at (818) 269-6781 for more information and to make your reservation.

LMRFD NEWS

By Ellen Reh-Bower

The March LMRFD Board meeting held in Dolan Springs revealed our Fire District is continuing in good hands with sound Board governance, astute Chief management and the best financial standing the District has ever enjoyed. Our ambulance continues to run with 3-4 times the number of calls it has in the past without increase in staffing. Chief Bonnee has plans in the works to staff the Meadview station 24/7. Projects continue to progress.

The Chief's Report indicated for February a total of 99 Medical calls with 83 Dolan transports and 15 in Meadview. He reported 27 calls on Hwy 93 and 16 days of coverage in Meadview. There were 17 fire calls.

Chief Bonnee reported the final two documents required by the County for the installation of the fuel system have been submitted and he should have the permit by the end of next week. He estimated a month or two after permitting, the system should be operational. It will save over $3/gallon on the diesel cost for the district, which at the current usage of 35,000-40,000 gallons a year will pay for the system in just a few months. With fuel costs being one of two items running over budget, this project he has been working on for years will finally pay off. Our Fire District will enjoy a secure source of fuel for our emergency vehicles to continue running an extraordinary number of calls at a more reasonable cost.

The extremely high call volume is also taking its toll on our aging emergency vehicles. Chief Bonnee is gradually getting them upgraded as the District is financially able to, but in the meantime, vehicle repairs (primarily ambulance) are pushing that line item over budget. We are all anxiously awaiting delivery of the "new-to-us" ambulance in June/July to help get those costs under control.

Fuel and vehicle maintenance are only two of many line items in the budget. Just because those are running "over budget" does not indicate any financial trouble for the district. LMRFD is stronger and in a better financial position than it has ever been in the 14 years I have been involved and paying attention to it. The financial report for February indicated LMRFD ended the month with $1,700,000 cash on hand which is up $161,000 from last year at this time and UNDER budget $20,000 year to date over all. For the last two years, we've had strong Board, a dedicated Chief who cares about our district and sound financial guidance. It is paying off.

Everyone is working diligently together to catch up on some things that were not tended to previously. Glenn Gardner, in the Chief's Administration Department, just completed a lengthy process of updating the procedure for annexing properties into the District. The water heater ruptured at Station #43 in Meadview and it was learned there was no shutoff to it. It was replaced with an on demand unit. Attempts to upgrade the phone system at Station #43 revealed a tangled mess of wiring which made the upgrade impossible at that time.

On a bright note, Chief Bonnee reported that he has applied for a Safer Grant that would provide $1.5 Million to fill six personnel positions. If successful, he plans to use it to man Meadview 24/7.

The next LMRFD Board Meeting will be April 20 at 1:00 pm in the MCA Auditorium.

THANK YOU!!!

By Adrienne O'Keeffe

Thank you to everyone who took the time to visit my tables at the Joshua Tree Festival on Saturday or Sunday. Eileen Flannery, Blair Berg and I enjoyed working with you as you all made beautiful cards and Joshua Tree decorated ceramic tiles. For most of you, this was a first time making a card or tile. We were impressed with your stunning artwork.

Arizona Life Hospice hopes to reach our patients in Meadview to
LIVE WELL. FINISH WELL.
Our desire is to broaden our reach to your community's most vulnerable by offering members in your community the opportunity to be volunteers with us!
Orientation and training will be provided for our future volunteers by Brooke, Volunteer Coordinator.
Our goal is to meet the needs of your community better – who better to get involved than those living locally?
We want to help you in any way we can!
We hope you decide to make a difference in your town by joining our caring and compassionate team!

Deb St. Ledger, Librarian

LIBRARY NEWS

April is here and with it comes our celebration of Easter. The library has some great items related to Easter. For the fiction readers how about *Triple Chocolate Cheesecake Murder* by Joanne Fluke or *The Easter Bonnet Murder,* part of the Lucy Stone series by Leslie Meier. Need something for the kids? Try *The Story of Easter* or *Dino-Easter!* The library also has some great DVDs which include *The Dog Who Saved Easter, It's the Easter Beagle Charlie Brown* and *Hop* just to name a few.

This month the library will be holding a Book Discussion Meeting. The book we will be reading is Louis L'Amour's *Haunted Mesa*. Stop in and check your copy out and join the group discussion on April 15 at 3:00 pm here at the library. For those of you who are new, the address is 149 E. Meadview Blvd. (right across from the MCA building). This Book Discussion is a great way to meet new people and everyone is welcome.

ANTHONY'S SPORTS CORNER

March Madness 2023 will go down in history as the year of upsets. The tournament started with 68 teams and is now down to four teams. The Final Four Teams are: San Diego State vs. Florida Atlantic University and Miami vs. UConn. Three of the Final Four teams will be making their first Final Four appearances. UConn played in six Final Four games and are four-time champions. This is the first year that none of the #1 seed teams made the Elite Eight or the Final Four. In fact, this is the first time ever that no #1, #2 or #3 team made the Final Four. The Final Four teams will play Saturday, April 1. The winning teams go to the NCAA Championship game Monday, April 3. My predictions are Florida Atlantic University vs Miami. That should be a great game.

Big News in the NFL!! Aaron Rogers signed with the New York Jets for this coming season. I thought he would never leave Green Bay, but he has not been very happy lately in Green Bay. Time will tell if this turns out to be a good move.

MLB regular season starts Friday, March 30. Baseball is my first love of sports, so I can't wait for the 2023 season to start.

The Phoenix Suns have a 40-35 record which puts them in 4th place in the Western Conference of the NBA. The playoffs start April 15 and it looks good for the Suns to make the playoffs again this year. However, they have a tough schedule for the remaining regular season play.

The Arizona Coyotes hockey team have a 27-34 record, putting them in 7th place. Hockey playoffs start April 17.

NASCAR will be racing in Richmond VA on April 2 and will be in Bristol, VA on April 9.

As always, watch all your favorite sports events at the Fisherman's Landing Bar. Until the next issue my friends, keep watching sports.

KINGMAN REGIONAL MEDICAL CENTER

Your Partner
for Better Health

As the largest healthcare provider in northwest Arizona, we offer a full range of services to meet the health and wellness needs of our vibrant, growing community. We offer services from essential primary and preventative care—to sophisticated medical imaging and diagnostic capabilities—to advanced treatments in cardiac care, wound care, and cancer care—to progressive rehabilitation and pain management therapies.
