MARCH 28, 2025

SPRING HAS SPRUNG AND SUMMER IS COMING!

March 20 was Spring Equinox which marks the official first day of Spring. Our winter weather seemed to last longer than usual with cold temperatures starting in November. We also saw snow on the cliffs in November and the next time was in March. We had very little rain, but "cold and windy" seemed to be the daily forecast and we were ready for winter to be over. But then on February 2 that evil Groundhog saw his shadow and predicted another six weeks of winter. And just about six weeks later, Spring has Sprung.

Spring is the time for renewal which is most evident in nature. Many animals give birth in the Spring. Plants that have been dormant and barren through the winter, seem to "spring" back to life. Warmer days and occasional rainfall encourage the plants to start budding. In Meadview, we see the beauty of Spring with sightings of blooming Joshua Trees, followed by cacti blooms in the most radiant colors. Joshua Trees require certain winter conditions to produce a lot of blooms. We did not have the right conditions this winter, so there will be fewer trees blooming. But there are some in bloom, so watch for them.

Native animal life also returns to the desert in the Spring, especially reptiles. When you start to see lizards, the snakes will also become active. Snakes are cold blooded and do not tolerate colder temperatures. In fact, when temperatures drop, snakes become immobile and can be victims of their predators. Although they do not hibernate, most head underground or find shelter under buildings in crawl spaces or in caves during the winter. When the temperatures start to rise, they will become active during daylight hours. Most of them have not had a meal since fall, so they are on the hunt for food sources. Be watchful and vigilant and remember the cautions on how to avoid a snake encounter.

Meadview is especially pleasant in the Spring. We head outside, open windows and doors and enjoy mild weather before the heat of summer hits. It's the time to do hiking, fishing boating and kayaking. We engage in spring cleaning both inside and outside And it's time for highway cleanups. Groups who have Litter Control sections should contact Karen Stacy to schedule their pick-up date. Call Karen at (928) 716-4572 to get on the schedule. The county does require a 10-day notice when a date is scheduled.

Spring is also a time for celebration. In Meadview, Fisherman's Landing sponsors an Easter Egg Hunt and party for all children. The event will be on April 19 at 11:00 am at the MCA. Be sure to call (928) 564-2100 to RSVP. See the ad on page 3 for more information. The local churches also have special Good Friday and Easter Sunday services. Call the churches to get information on the services they will be having. On April 26, the Meadview Area Chamber of Commerce will host the Meadview Spring Festival (formerly the Boat the Lake Festival). Check out the ad on page 5 for information.

Enjoy Spring and the Great Outdoors while we are still experiencing mild weather. Summer is coming!!!

ANTHONY'S SPORTS CORNER

March Madness started last weekend. We are down to the Sweet 16 with seven SEC Teams in the Sweet 16. This weekend, we will be down to the Final 4. All four #1 teams are still in the tournament. My predictions will be Auburn against Florida in the final game with Auburn University taking it all. The National Championship Game will be April 7.

The Arizona Cardinals picked up a couple players this past week with the free agent deadline.

The NFL draft will be April 24-26 in Green Bay, Wisconsin. Hope the Arizona Cardinals will draft some defensive players this year.

The regular baseball season will start Thursday, March 27. Arizona Diamondback fans look forward to a new season.

The Phoenix Suns are in 10th place in the Western Conference with a record of 35-37. The Playoffs start on April 19.

In the NHL, the Vegas Golden Knights are in 1st place in the Pacific Division with a 43-20 record. The playoffs start on March 20.

WNBA starts their season on May 16. It will be fun watching Caitlin Clark play for the Indiana Fevers this year. She had a great rookie year and we will see how she does in her second year.

NASCAR is in Martinsville, Virginia at the Martinsville Speedway this Sunday March 30. Then they will head down to Darlington, South Carolina at the Darlington Raceway on April 6.

As always, you can watch your favorite sporting events at The Fisherman's Landing Bar. Until the next issue, keep watching sports, my friends.

Good day, Meadview Community. This month we are exploring the work of American author C.J. Box. With over thirty books written and translated into 27 languages, Box has sold more than 10 million copies of his work and won over readers with his Joe Pickett series. Box was born in Casper, Wyoming and would later attend the University of Denver where he graduated with a degree in Mass Communications. His Joe Pickett series is based on a Wyoming game warden who oversees the forest surrounding Yellowstone National Park. The books have been made into a popular TV drama. If you would like to check out this fascinating author, we have a collection of his work in the library.

Our bi-monthly book discussion will be on April 19 at 3:00pm. Everyone is welcome to join us.

The library also offers printing, internet and faxing services.
The library is open Tuesday-Thursday-Saturday 10:00 am-3:00 pm
