FIRE RESTRICTIONS IN PLACE FOR MOHAVE COUNTY

June 20 is the official first day of Summer which is the second season of the year. In the Meadview area, summer is also known as the Monsoon Season, the Snake Season and sadly, the Fire Season.

Due to critical fire weather conditions, including high temperatures, low humidity, dry vegetation and sustained winds, Mohave County has enacted fire restrictions for all four Fire Zones within the unincorporated areas of the county. These restrictions took effect 8:00 a.m. on May 23, 2025 and will remain in place until further notice.

Chairman of the Board of Supervisors, Travis Lingenfelter, authorized the Proclamation following a formal Determination of Fire Emergency issued by Mohave County Emergency Management. This decision aligns with Stage 2 Fire Restrictions implemented by the Arizona Department of Forestry and Fire Management and the Bureau of Land Management and reflects the elevated fire risk confirmed by federal and state fire agencies.

The restrictions prohibit all open fires, campfires and the use of permissible consumer fireworks in the unincorporated areas of Mohave County. This action is authorized under Mohave County Ordinance 2013-04 and is designed to reduce the risk of human-caused wildfires during a period of extreme fire danger. Violations of this proclamation are a Class 2 misdemeanor under county ordinance and are subject to fines up to \$750 and/or up to four months in jail.

EXEMPTIONS INCLUDE:

Fires set or permitted by authorized federal, state or local officers in the course of official duties.

Fires for disease and pest control by the State Entomologist or County Agricultural agents.

Fires permitted by the United States, State of Arizona or federally recognized tribes for fire prevention, watershed rehabilitation or vegetative management.

Fires permitted by the Mohave County Emergency Management Officer or designee with written documentation.

Cooking fires fueled by propane or charcoal.

The fire restrictions will remain in effect until the Emergency Management Officer determines that emergency fire conditions no longer exist. For questions or more information, contact Mike Browning, Emergency Management Coordinator at (928) 753-0739 or send an email to emsm@mohave.gov

In a recent article, Luis Vega addressed the risks of using a fire in the wilderness if a person needs to alert rescue teams. He covered other methods of sending a signal rather than a fire that could result in a brush fire that becomes out of control. Since brush fires are a problem throughout the Southwest, it is a good idea to check with local authorities if you are going to be camping in other areas of the Southwest. If there are fire restrictions in place, you may not need to bring a load of firewood.

Lightning strikes can cause brush fires. The copper that is found in Arizona soil acts as a magnet and pulls lightning to the ground and cause dry vegetation to be engulfed in flames instantly. Protect your own property from being a fire casualty by removing dry vegetation around your home.

Please be aware that fireworks are prohibited in all National Parks. Since Meadview is located inside the Lake Mead National Recreation Area, fireworks are prohibited under the Park Service rules. If fireworks are a must for you to celebrate Independence Day, the city of Kingman will put on a firework display at the Mohave County Fairgrounds starting at 9:15 pm. The display can also be seen from Firefighter Memorial Park, Centennial Park and other places around the city.

**DISPLAYING THE US FLAG:
RULES YOU NEED TO KNOW**

June 14 is Flag Day. It is the day that has been designated to honor the US Flag. There are some rules for you to follow when flying the flag.

Special occasions, including state and national holidays, allow regular US flag displays. Displaying the flag should occur from sunrise to sunset but can remain displayed after sunset with illumination.

Public display locations include the buildings of public institutions, Election Day polling places days and schools during school hours. Never drape the flag or allow it to fold over while flying. Decorative bunting should have blue on the top and red on the bottom. Half-staff display honors newly deceased state government or federal officials and is also used for Memorial Day.

The US flag should be flown at the same level or higher than any other flags that are displayed. When flown with other flags, the US flag should be to the observer's left when viewed from the front. If the flags are being flown on the same staff, the US flag should be placed above the other flags with the exception of the flag of another country, which should be flown at the same level.

When the flag is displayed indoors, it should be in a way that shows respect and dignity. The flag should be displayed in a prominent location and that it should be displayed with the blue field to the observer's left when viewed from the front.

ANTHONY’S SPORTS CORNER

The Indiana Pacers won the NBA Eastern Conference Championship and the Oklahoma City Thunders won the NBA Western Conference Championship. The NBA Finals start on June 5. I predict the Indiana Pacers will win the Championship in game 7.

The Florida Panthers won the NHL Eastern Conference Championship and the Edmonton Oilers won the NHL Western Conference Championship. This will be a rematch from last year’s Stanley Cup which Florida won. The Stanley Cup finals will start on June 4. My prediction will be that the Florida Panthers will win the Stanley Cup Championship in Game 7.

The Arizona Diamondbacks are in 4th place in the NL West Division with a record of 28-31. The LA Dodgers are in 1st place in the NL West Division with a Record of 36-23. The Atlanta Braves are in 4th place in the NL East Division with a record of 36-22. The Detroit Tigers are in 1st place in the AL Central Division with the best record in baseball which is 39-21. The Colorado Rockies have the worst record in baseball with a record of 9-50.

NASCAR will go to Michigan to the Michigan International Speedway on June 8. On June 15, NASCAR will go to Mexico City, Mexico to race. That should be fun to watch. This is the first time NASCAR has raced outside the USA in over 70 years.

In the WNBA, Indiana Fever is in 3rd place in the Eastern Conference with a record of 3-4. New York Liberty is undefeated with a 7-0 record. Phoenix Mercury is in 3rd place in the Western Conference with a record of 5-3.

Charlie Woods, son of Tiger Woods, fired a 66 to clinch his first career title. He is 16 years old and earned his first Junior Golf Association win in Bowling Green, Florida this past week. If he keeps playing like that, he will be as good as his father.

As always, you can watch your favorite sporting events at The Fisherman’s Landing Bar. Until the next issue, keep watching sports, my friends.

Good day, Meadview Community. June is here and full of exciting new things at the library. We have started our Summer Reading Program on May 30. Last year was a great success and we are hoping this year will be even better. Our theme this year is *Color our World*. Registration will be open through July 12. There will be plenty of exciting prizes and friendly competition amongst the local libraries and staff.

When you participate in the Summer Reading Program and log your minutes read, you will be able to choose free books from the Friends of the Library book sale collection. There are also several prizes that readers can earn throughout summer reading. Kids can earn free burgers from In-N-Out. Everyone can earn free entrance into any Arizona State Park and at the end of Summer Reading, all readers who read and log 1600 or more minutes will be entered into a drawing for a \$25.00 gift card. Come and join the fun!

The library is open Tuesday, Thursday and Saturday 10:00 am-3:00 pm
